

KNOW YOUR DRYER IS DOING ITS JOB, SO YOU CAN STAY WHERE YOU ARE AND KEEP DOING YOURS.

Harvest is hectic. The last thing you need is another trip to your dryer. But you do it. Over and over. Because it has to perform. With GSI Connect you can monitor and manage your dryer from the combine, truck, or even in bed. So, you can put an end to the extra trips and get more out of your day.

Monitor remotely

See the status, adjust set points, change unload speeds, monitor performance, and more from anywhere.

Reduce Downtime

Get alerted to errors or stoppages to quickly address potential issues.

Optimize Performance

Save time and money with remote diagnostics to keep your dryer its best.

Maximize Profit

Take control this harvest and get more from what you worked hard to produce.

BE THERE WITHOUT BEING THERE.

Know if your dryer is running or stopped. See moisture, temperature and adjust the set points. Stop your dryer, change unload speeds, and get performance data right from the app. GSI Connect even alerts you to errors or stoppages to reduce downtime and maximize profit.

READY TO CONNECT?

Getting started is simple. Talk with your GSI dealer to get a Connect-ready GSI dryer on your farm or upgrade your current GSI dryer with Vision Controller.

Upgrade Your Vision Controller

Your dealer can update your Vision controller so you can monitor and manage from anywhere with GSI Connect.

Purchase a New Dryer

Add GSI Connect to your new portable or tower dryer to improve efficiency and harvest flexibility.

Replace Watchdog

We're phasing out Watchdog to focus on giving you the highest security and best experience with GSI Connect. Upgrade today and get the latest technology.

Download & Subscribe

Download GSI Connect from the Apple App Store or Google Play Store, subscribe, and easily pair it with your dryer.

Visit grainsystems.com for product specs and info

Dryers are just the beginning. GSI is working to make GSI storage and material handling Connect-ready too. So, with GSI Connect, you can put your entire grain system in your hands.
