

This assembly will be sent from the factory configured for a 12" 1 HP fan.

F-6871 will be positioned on the F-6872 so the top hole will lie on the 13" bolt circle.
 (See detail A and B for close-up view of the top hole position.)

Assembly may be adapted to a 12" 3/4 HP fan by rotating F-6871 45° on the F-6872.
